

TOPOLOGIA

- *Reproduce las figuras según el modelo.*

The top box contains a house-like shape on the left, drawn on a grid of dots. The shape has a trapezoidal roof, a rectangular body, and a rectangular door. To its right is a 5x5 dot grid for reproduction.

The bottom box contains a truck-like shape on the left, drawn on a grid of dots. The shape has a rectangular body with three horizontal lines, a vertical line on the right side, and two circles at the bottom representing wheels. To its right is a 5x5 dot grid for reproduction.

- *Uniendo los puntos, reproduce las figuras según el modelo.*

- *Completa la serie de números.*
